**Subject:** POLREP Request

Good Morning Christopher,

I work for John Hess and am a point of contact this week (on duty) for message traffic regarding the response in Mayflower. John asked me to request from you to be copied on the OSC Pollution Reports that are being distributed. Would that be possible?  
We were also wondering if you had any difficulty getting the Facility Response Plan from the secure FTP site we set up on Saturday?

Thank you for your time and efforts.

R,
